#### Safe Zone

**DO NOT** place important texts or images beyond this GREEN area to prevent trimming.

#### Trim

This is the actual cut size of the Envelope after final printing & Fabrication.

#### Border

In case there is a border in the design, then minimum border distance should be **13 mm** from the BLEED line on all sides.

#### Bleed

We suggest you send us an **open/editable** file in case you have a full background design/colour till the edge of the **Trim** area. Our Technical department will ensure proper set up for final production.
